

Review of Sports Premium Funding spend and key achievements (2025/2026)

Overview:

Activity/Action	Impact	Comments
Ensure all staff (including new staff) are teaching to a high standard and are confident to assess against milestones.	Children across the school had high quality teaching from specialists and teachers now feel more confident to teach PE.	
Broader experience of a range of sports and activities offered to all pupils, especially vulnerable/PP/SEND.	PP children now have access to a lunchtime active club with a coach, with a range of sports.	
Continue to develop competitive opportunities available, especially Year 6 'B team' footballers and KS1.	More children access competitive sports.	
Ensure swimming lessons take place to meet KS2 Curriculum.	Children learn key skills in swimming including lifesaving skills.	

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Impacts	Cost linked to the action
Ensure all staff (including new staff) are teaching to a high standard and are confident to assess against milestones. CPD for teachers - Regular monitoring activities will also take place.	Teaching staff, coaches - as they need to lead the activity Pupils – as they will take part and benefit from assessment.	All teachers are confident to teach the full curriculum. Children are accessing a wider curriculum from teachers with good subject knowledge. Therefore, children are making better progress in PE. Teachers have begun to assess the children using milestones and assessment is accurate. Continue to offer CPD each year through coaches and specialists to ensure excellent teaching leading to good progress across the school.	£3360 Josh Evans Coaching £9951 PE specialist £390 PE Equipment £780 football goals
Broader experience of a range of sports and activities offered to all pupils, especially vulnerable/PP/SEN D.	Teaching staff, coaches - as they need to lead the activity Pupils – as they will take part	More children to experience a range of sports to encourage active children. New sports added this year - Flag Football has been added to the curriculum for Year 5 and as an afterschool club (club is full). Korfball to continue for Years 4 – 6. New cricket club, numbers rising. Lunchtime active club continues for PP and SEN children, offered free of charge.	£365 Flag Football Equipment £190 Cricket Club Equipment PP club run by coaches, payment detailed above.

Continue to develop competitive opportunities available, especially Year 6 'B team' footballers for girls and boys and KS1.	Teaching staff, coaches - as they need to lead the training and take to fixtures Pupils – as they will take part	A higher percentage of year 6 pupils played competitively than previous years. We came 3rd in the boys and 1st in the girls' football league. We came 3rd in the netball league. One of children played for the district this season. We took KS1 children to Sportshall Athletics event, and a Y2 child ran with the Y3 cross country team. We will continue to enter all fixtures available to us.	£30 entry fee for player in the borough. £80 Sportshall fee.
Ensure swimming lessons take place to meet KS2 Curriculum.	Teaching staff, swim teachers - as they need to lead the training and take to lessons Pupils – as they will take part	All children in Y5 and Y6 took part in swimming lessons, learning different strokes and lifesaving skills.	Swimming Pool at Banstead Prep – given use of free of charge. Swimming teachers and coach paid for using school funds.

Key achievements 2025-2026

Activity/Action	Impact	Comments
We introduced a wider range of sports clubs and offer to more children to ensure a higher number of pupils are active. More children were involved in competitive sport due to joining leagues for boys and girls' football, as well as netball, cross-country, cricket and athletics. Staff team teaching with coaches and specialists have found this very helpful and report that they are more confident to assess in PE.	With more clubs on offer and new sports to try, more children are engaged in regular physical activity and have taken up new sports, including Flag Football Club (which is full). After having introduced Korfbal, a number of pupils have joined a club outside of school, with some playing for the district. Throughout the school, there is an increased participation in competitive sport. Our girls team came first in their league This has given staff more confidence to teach a range of sports. Children are accessing a wider curriculum that is being taught well. It has also improved the standard of teaching across the school and therefore more children are achieving EXP+ in PE (85% across the school).	

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	68%	High percentage of SEN in cohort.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	68%	As above.
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	81%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	These children were unable to complete lessons in Y5 due to cost and no pool available to use. Top up to be completed next year for Y5 children who did not meet national expectation.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
